*Cooperative project for developing culture, language, and literacy in Fella-neighborhood*

## Key project goals

**Increase collaboration between schools in Fella-neighborhood and other public institutions in Breiðholt to promote social equality, academic performance and children's wellbeing**

**Increase collaboration between Ösp and Holt Preschools, Fellaskóli Primary school and the Vínafell recreation center in Fellaskóli in particular**

**Strengthen collaboration between the Community Assistance Center (Þjónustumiðstöð Breiðholts) and neighborhood schools and recreation centers to promote children's and families' wellbeing**

**Expand on opportunities for increased collaboration with neighborhood institutions, including Gerðuberg Gallery, The Public Library, Leiknir and ÍR sports organization, health clinic, and others**

**Increase parent involvement in primary and elementary schools**

**Raise teachers' and school staff's awareness concerning factors that affect language development and literacy, especially as regards children whose mother tongue is not Icelandic**

**Increase professionalism and teaching skills of teachers who work with diverse groups of student and parent**

**Develop and implement diverse teaching methods to better ensure that students have equal opportunities in education**

**Effectively disseminate project outcomes to all potential stakeholders**
